As you will know it back in January, we took the decision that we would do things differently this year. Rather than run Lifepath at Brinkburn Priory, where the children would come to us, we will take Lifepath 'On The Road' and go to them in their schools. As a team we are really excited about this possibility as it will enable us to offer Lifepath to more children this year.

Everything is now in place to give the pupils a Lifepath experience. Due to restrictions this will take the form of a blend of 'in-person' input from a small team of volunteers supported by some very creative video content. The team running the sessions in the schools (dressed in our now very familiar white habits) will help the children explore the life of St Cuthbert and how God's word shaped his life, and the lives of Christian today.

Please thank God:

- For His guiding, leading and provision so far.
- For the schools who have signed up and the 500+ pupils we shall meet.
- For the great team of volunteers who have committed to being involved.
- For His provision from churches and individuals meaning we have a solid financial base for 2021.
- For providing some gifted and skilled people to record, produce and edit the video based sections of the content.

Prayer:

Please turn over for a draft calendar of where the team will be each day.

- Please pray that all of the final pieces of filming and editing get completed in time for the first session on 14 June. Please especially pray for John Cooper, Kirstine Davis and Chris Hudson as they coordinate this.
- Please pray for wisdom for the last core team meeting on 9 June as we make final decisions.
- Please pray for Kirstine as she liaises with schools, churches and volunteers and puts together a very complex plan of who will do what, where and when.
- Please ask God to provide all of the team that we need for the full 5 week period that we are offering Lifepath On The Road to schools.
- And please do be praying for God's protection and safety from Covid-19 for all of the pupils, staff and volunteers throughout the event.
- Please pray that the children would have a great time learning about St Cuthbert and how his life was shaped by God's word, The Bible. Please also pray that they would discover why Christians still follow Jesus today and live lives based on the Bible.

Thank you so much for your support – it is greatly appreciated
